Caminoverde, Inc.

Brownwood, TX 78601

Dear Mr. Riker:

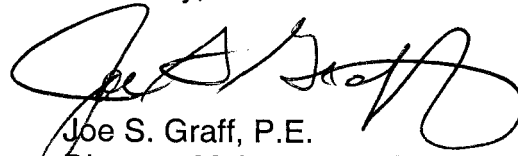

As requested, we have reviewed your proposed double mail box support.

The design of your support is virtually identical to our previously crash tested double mail box attachment hardware, except for the welded connections instead of bolted connections. Therefore, your product is approved for use on TxDOT projects.

Our approval of Caminoverde, Inc.'s double mail box support is not intended to indicate we will purchase this product.

If you have any questions, please call Bob Seyvani, P.E., at (512) 416-2477.

Sincerely,

Joe S. Graff, P.E.  
Director, Maintenance Section
