SHUR-TITE® Slide Hammer Driver

Item #SWH07

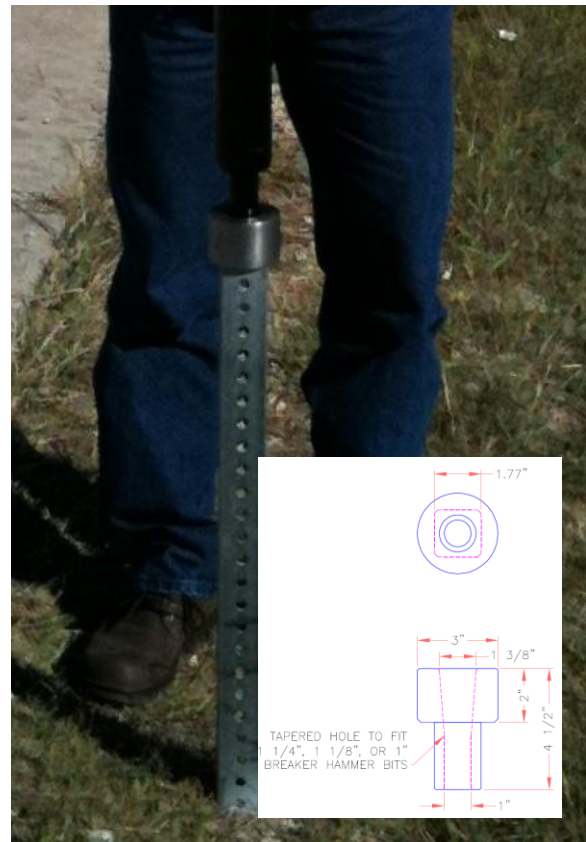

\$197.00/ea

SHUR-TITE® Driver Head

Item #SWH05

\$117.00/ea

- ◆ Unique design, manufactured specifically for manual installations of SHUR-FLEX® Driveable Delineator anchors.
- ◆ Driver head fits snugly into the 2" x 12 ga square perforated steel tubing section, used as the foundation unit.
- ◆ This precise match-up of dimensions minimizes any issues with flaring of the footing component, when striking/driving the anchor into the ground.
- ◆ Heavy duty, durable tool, designed to provide long-term field use, in a practical, efficient manner.
