- Utilizes the patented U-Flex® system
- Non- Mechanical flexible design is self-righting upon impact.
- 360° post reflectivity & raised pavement markers added for base reflectivity.
- Highly visible 3" OD post
- Premium UV added for long lasting color
- Easy bolt down design
- Quick and easy installation and post replacement.
- MASH Certified

SPECIFICATIONS

U-Flex® System - 2 Component Design

- The flexible square to round post is a simple one piece, non-metallic molded design that withstands multiple impacts assuring long-life in corrosive environments.
- Posts are manufactured with urethane for high speed impact resistance.
- The standard cap is attached with our Shur-Weld process that mates the cap to the post with an unsurpassed adhesion method.
- One pin - one minute! We've made it quick and easy to install or replace a post.
- The Shur-Curb base is 10"X 40" and has a low profile design.
